## WEBINAR DISCUSSION PANEL

Virtual Platform – Zoom

(access information to be sent on September 26th)

**Program Description:** The global supply chain has experienced disruptions since the start of the pandemic. This panel discussion includes importers, manufacturers, and industry experts on how they have operated their global supply chains, managed freight disruptions, adapted procurement processes, and how they are strategizing their demand planning under volatile conditions. Hosted by World Trade Center Savannah.

Discussion led by Tom Cook, Managing Director, Blue Tiger International

**Panelists:** Jason Manganaro, VP, Sparx Logistics

Anitra McCall, CEO, Supreme Transportation Group

Joe Mantello, Director of Logistics, Qosina Corporation

Luz Cazeneuve, Operations Manager, Dastech International

Mike Piza, VP, Apex Logistics International

John Petrino, Director of Business Development, Georgia Ports Authority
